FIRE SWEEPS DOWN ON RANCH

Buildings Wiped Out in City Limits. Other Fires Started

One of the worst conflagrations that ever visited Ukiah called out the entire populace of the town last Wednesday when burning pine cones from the back fire set by the fire wardens Tuesday evening fell in the southern outskirts of the city completely wiping out the farm buildings on the Gobbi ranch as well as all of the fencing in the path of the flames. The ranch as it stands desolated today is stripped of every sign of human habitation, not a stick of fencing or a wall remaining after the ravages of the fire which laid low the Gobbi residence, a small prune dryer and several hundred trays, a small winery adjoining the house, woodsheds and the big winery leased to the California Grape Products Company and filled with 30,000 grape boxes and several thousand dollars worth of farm machinery and huge wine tanks. From the Gobbi property the flames leaped across the street to the residence of Mr. and Mrs. Wm. H. Sharpe from which the occupants escaped with only the clothes they wore. At the same time flames burst from a barn on the Hughes property and another barn at the home of Ira Fisher caught fire. Both were consumed with their contents which in the Fisher case, included about five tons of hay, some garden implements and several dozen chickens.

By this time the entire business section of the city was closed and men, women and children aided in fighting the flames with wet sacks. The Ukiah fire department stood by until late into the night giving valuable aid. During the intense heat of the fire flames burst out in many sections of the district but were promptly subdued by vigilant watchers. At the home of Charles Kasch the flames crept almost to the very door and the fencing at the home of Judge Preston across the street caught fire repeatedly while roofs and dry areas covered with grass were in flames many times from the burning cinders and cones. A shift in the wind from the west to the southwest is all that saved that section of the city from total destruction. No estimate has been made of the damage but it is known it will run into many thousands of dollars. A pathetic incident in connection with the fire was the partial destruction of the bicycles of three boy scouts, Thomas Anker and Jack and Wakefield Taylor who left their wheels in what they considered comparative safety while they aided in fighting the fire. When they returned the whole area was in flames and the bicycles badly burned.

In spite of the intense heat there were no prostrations. A. Perelli-Minetti estimated the loss to the California Grape Products Co., at $15000. The fire is still burning to the south of the city where it menaced many ranches the last of the week. The roar of the flames could be heard day and night and, coupled with the intense heat and the heavy smoke curtain created a scene of the utmost depression. While it is hard to get reports of the damage to the hill residents it is known that the Evans ranch on Pine Ridge recently sold to a family whose names could not be learned, had been wiped out. The new owners had completely refurnished the ranch and lost everything. It is expected many more catastrophies will be reported when the fire has subsided.

Forest Fires Drive Out Rattlesnakes

Frank Cook, prominent agriculturist of the Anderson valley country was in Ukiah Saturday and related a weird experience with a rattlesnake. Mr. Cook has been traveling the Boonville grades for 20 years and Saturday was the first time he ever encountered a rattlesnake in a belligerent mood. Mr. Cook encountered the reptile on the road. The snake was rushing down the bank toward the machine with fire in his eye when a well-directed blow stopped his advance and another laid him low. It is evident the intense heat from the forest fires in Anderson valley affected the temper of the snake which measured nearly four feet and carried eight rattles and a button.

Mr. and Mrs. Will Collier also related an unusual snake story after a walking trip to the head of the fish hatchery canyon where they went Sunday to view the result of the recent brush fire. They met the snake on the trail and the hostility on both sides resulted in a victory for Mr. Collier who killed the reptile almost at the feet of Mrs. Collier.

Big Task Faces Clerical Workers

A special staff of clerical workers are busy in the auditor's office extending the taxes on the roll. The work has been going on for two weeks and County Auditor Mrs. J. J. Mathews estimates it will take another two weeks to finish the work. Assisting in the work are Mrs. Mathews, County Statistician H. E. Bonnell, Mrs. Roy Lynch, Mrs. Chester Cox, Miss Jerriene Lynn and Volney Van Dyke. Monday morning the auditor's office sent out election warrants to the amount of more than $2600. The warrants numbered 441 and were for six dollars each.

COAST BANKER IS HERE BOOSTING THE POW-WOW

Genial, likeable Joshua Grindle, whose quaintiness attracts and holds one, is over from Mendocino and comes with the sole aim of having a good time at the Pow-Wow. With Mr. Grindle came Mrs. Perley Maxwell, Mrs. Daisy McCallum and Mrs. Carl Nystrom. The party drove over in Mr. Grindle's car and it is the intention of Mr. Grindle to return tomorrow to Mendocino and bring back with him Mrs. Grindle, the whole contingent intending to remain until the last of the week.

NOMADS PASS THROUGH CITY EN ROUTE NORTHWARD

A band of gypsies passed through town Monday and caused Ukiah officers to increase their vigilance. Yesterday a few remnants of the band were still in town but officials were keeping a sharp look out for activities of a begging or soliciting nature.

SAD ACCIDENT TAKES LIFE OF H. D. MALONE

Howard D. Malone, a real estate dealer of Fresno was shot and instantly killed Friday morning at eight o'clock by the accidental discharge of a pistol. Together with his wife, the former Miss Hazel Handy of this city, Mr. Malone was preparing to leave for his home after a ten day's visit at the Philo Handy home here. Mrs. Malone was engaged in preparing breakfast while her husband was arranging packages in the car preparatory to leaving when the shot rang out and Mr. Malone fell dead, shot through the heart. A coroner's jury was summoned and at the inquest testimony was brought out showing Mr. Malone, while enroute to this city, had removed the pistol from a hand grip while on a particularly lonely part of the road where tire trouble detained them for a considerable time. Instead of returning the weapon to the grip Mr. Malone thrust it in a pocket of the car where it remained until the fateful morning when, in leaning over the car, the pistol was discharged in some unknown manner with the result stated above. The body was shipped to San Francisco Saturday where it was cremated Sunday morning. The unfortunate affair cast a gloom over the entire community where the Handy family is so well known and highly esteemed. Mr. Malone was formerly a Ukiah business man. He installed and owned stock in the Ukiah gas plant for several years. He was a man of culture and education and a member of the B. P. O. E. He was born in California and was 52 years old. Many local friends share in the sorrow that has befallen the family in the untimely death of Mr. Malone. The verdict of the coroner's jury was "accidental death from a gunshot, self inflicted." The inquest was held Friday morning at the home of Dr. W. W. Breckinridge, across the street from the Handy home. Fred C. Handy and P. W. Handy, brothers of Mrs. Malone and Philo Handy, father of Mrs. Malone, accompanied the party to San Francisco.

Leaving the station the parade will move West on Perkins Street to School Street, North on School Street to Henry Street, East on Henry Street to State Street and thence to the Fair grounds.

Plenty of Time

Owing to a belated start in getting the Women's Needle work Department exhibits ready for display the judging will not begin until the later part of the week. No entry fee is charged in these departments and all persons having canned fruits, fancy work or needle work that will make good exhibits are urgently requested to send them in to Mrs. A. M. S. Kinsler, Superintendent of the Women's Department in order that they may be placed on exhibit in time to enter the competition.

TRAVELING SALESMAN ACCIDENT VICTIM

Word reached this city Wednesday afternoon that J. H. Abbott, a traveling salesman for the Wm. Cluff Co. of San Francisco has been badly injured in an automobile accident on the Boonville road at a point near the I. W. Fish ranch. Shortly afterward the injured man was brought to this city and rushed to the hospital where he died an hour later. The accident occurred when the roadster driven by the dead man went over the grade into the canyon. Mr. Abbott received the fatal injuries when the car, in its descent, was struck by overhanging limbs of trees which crushed him against the back of the seat after the top had been torn off and the wind shield demolished. The young wife of the dead man arrived on the evening train and the body was taken to San Francisco after a coroner's jury had returned a verdict of accidental death. Mr. Abbott was well known here and was among the best liked of the traveling salesmen. He had frequently expressed an intention of making his home in Ukiah which city he found very much to his liking.

The accident victim was found by a party of Boonville motorists including members of the Farrer, Rawles and McGimsey families.

DEPARTM'NT DID GOOD WORK

A fire alarm about eight o'clock Thursday evening called out the fire department and a large number of citizens who were on the alert to guard against any further invasion of the forest fires. Owing to some confusion in phoning in the location of the fire truck was sent to a wrong address but arrived in time to use chemicals and put out the fire. The alarm was for a small blaze in a sleeping tent at the rear of the Fred Smith home. It was entirely destroyed together with its contents but the fire department did good work in preventing the flames from spreading to nearby outhouses. The fire was outside the city limits.

Society Circus Is Event Of Festival

A large, enthusiastic audience greeted the opening performance of the "Society Circus" last night at the Victory Theatre, staged under the auspices of the Saturday Afternoon Club, directed by the "Whirlwind Directoress," Carolyn Elinor Staley.

For two hours without any tiresome waits the audience was entertained by side-splitting comedy, and beautiful artistic chorus numbers. It is generally conceded the show was very much out of the ordinary for an amateur attempt and better than many professional attractions. The performance is to be repeated tonight and tomorrow night and according to the seat sale record-breaking crowds are expected.

Hop Crop Harvested, Yield Is Heavy

Hop picking is over in the Ukiah valley and the hundreds of pickers employed in the fields were paid off last week. It is estimated the harvested crop will run well into 15,000 bales, an increase over last year of at least 3000 bales. Owing to the labor shortage and the intense heat the Ukiah valley farmers lost several hundred bales, the blossoms burning on the vines.

EMINENT JUDGES FOR STREET PAGEANT

There was a general satisfaction over the work of the judges in Monday's parade. Both in the pageant and the judging of the store fronts the verdict was particularly fair. The judges who passed on the prize features included Bert Kerrigan, secretary of the Petaluma Chamber of Commerce, Thomas Allen Box, of San Rafael, George Ames, of San Rafael, Mrs. E. M. Van Frank of the California Development Board, and W. L. Miller, secretary of the Eureka Chamber of Commerce.

ANDERSON VALLEY QUEEN PROCLAIMED

A bit of interesting program in the big opening day pageant was the crowning of the Anderson Valley queen, Monday afternoon in the big tent. Miss Brusa, to whom the honor went, is a particularly beautiful young woman and greatly beloved in Navarro as her high complimentary vote showed. She was introduced to the vast throng both at the afternoon and evening ceremony.

GRAND JURY MEETS

The Mendocino Grand Jury, L. E. Crawford, chairman, met in the courthouse Monday. Aside from selecting Auditor F. H. Matthew of Sacramento to expert the county's books and investigating a few cases nothing of importance was considered. The body adjourned Tuesday morning. Auditor F. H. Matthew, who will expert the books, was employed in a similar capacity last year.

PATIENT DIED

Gottfred Nelson, an inmate of the county hospital, aged 56 died at the institution Saturday. Mr. Nelson was a native of Sweden and formerly was engaged as a woodsman on the coast.

BODY SHIPPED SOUTH

Miss Margaret Byrone, sister of Mrs. A. Miner of this city died here Friday evening. The body was shipped to Richmond Sunday for burial.

Two Cars Collide -Children Injured

Ukiah traffic is being managed in a most commendable manner during the Pow-Wow. In spite of the congestion due to the big crowds there have been no accidents of a serious nature. During Monday's parade State street from Scott to Stephenson was cleared of cars. The side streets were roped off during the hours of the pageant and everything managed in a most excellent manner. A minor accident was reported Monday when a small truck belonging to the Barker Hardware Company and said to have been driven by F. T. Barker, backed into a car from Potter valley. The jar of the impact caused the door to open and two small children, occupants of the car, were thrown to the pavement and suffered slight injuries.

Mrs. Waldteufel Elected Queen

The final official count of votes for queen, which was concluded at noon on Sunday placed Mrs. Hazel Waldteufel well in the lead with a total of 149,550 votes. Miss Lena Brusa came next with 96,450 votes while Miss Evelyn Casella scored third with 83,250 votes. As a result of the spirited contest Mrs. Waldteufel will wear the robes of state during the week as well as being named the winner of the handsome diamond ring. Miss Brusa will receive the phonograph and Miss Casella the diamond bracelet offered as second and third prizes in the contest.

TERRORIZED BY ACTIONS HAS SANITY QUESTIONED

A stranger by the name of Oliver Westbury terrorized the residents in the neighborhood of McGarvey park Thursday and late that evening was taken to the county hospital where he is held pending an investigation of his actions. The man appeared at the park early in the afternoon where he remained until darkness had fallen, pacing back and forth in an agitated manner. When approached by Night Watchman Ornbaun the man appeared to be under the delusion some one had designs on his life. Papers on his person showed him to have been an employe of the Albion Lumber Co. A check from the company for $17 was among his effects.

LOCAL DECORATOR CREATES COLORFUL TOWN SETTING

Under the skillful fingers of Chief Decorator C. C. Mathews and his staff of workers Ukiah is in gala attire to receive the thousands of visitors who are crowding through her gates this week to witness the great Yo-Kaya Pow-Wow and Harvest Festival. County and city authorities have given Mr. Mathews free rein and the effect is very artistic and colorful. Business houses are flaunting the Pow-Wow colors of purple and gold and the scene is indescribable.

BROUGHT EXCELLENT BAND

C. O. Scott, who has charge of the California State Automobile Asssociation affairs at Santa Rosa and who has for years managed the fine band the Rose city boasts, is here with his musicians and is giving the crowds some of the best music so far heard here. Mr. Scott has some talented musicians with him and Ukiah was exceedingly lucky in having contracted with Mr. Scott for the Pow-Wow.

PROBATE MATTERS

In the estate of Walter Muchio application has been made for letters of administration. Like procedure has taken place in the case of Cynthia A. Busch.

A petition to terminate a life estate has been made in the case of Mary A. Farmer.

BIG PARADE FEATURES WEEK

Many Handsome Floats In Line. Queen Hazel Crowned

On few previous occasions has Ukiah assembled so many people as on Monday morning, the opening day of the Yo-Kaya Pow-Wow when several thousand people gathered on the streets to witness the parade that featured the day. Led by Sheriff R. R. Byrnes and C. S. Howard, of the Ridgewood ranch, the grand spectacle moving north on School St., translating every feature that nature supplies in Mendocino Co. from the majestic redwoods in the mountain valleys, through the oak-shaded hills and down to the fruitful valleys. Mardi Gras features were not lacking and of course there was the accompaniment of band music and the other features that are peculiarly Californian institutions. Following the grand marshals came Governor W. D. Stephens, Mayor Anderson and Executive Chairman Maguire followed by the officials and office staff of the Ukiah Chamber of Commerce. Each unit of the parade moved along on scedule time. There was no crowding and the spirit of cooperation and harmony which prevailed among the entries for prize honors was apparent at all times. Leading the floats came the handsomely decorated, horsedrawn car of state carrying the queen, Mrs. Hazel Waldteufel, and her maids and pages and prime minister.

Queen Hazel was attended by her court including Prime Minister Dr. L. E. Van Allen flower girls and maids including Margie Allen, Esther White, Winifred Beckley, Leona Layman, and pages Billie Held and Jack Taylor, and was followed by Scott's Exposition Band. Then came the floats, many in number and gorgeous in coloring. They were followed by the advertising features, the unique floats, horse and rider units, decorated bicycles and decorated automobiles. Next to the beauty of the floats came the decorated cars, those of Miss Esther Redwine of this city and Mrs. Ralph Duncan of Willits attracting unusual admiration all along the line of march.

FOREST FIRES RAGING UNCHECKED IN HILL COUNTRY

Word reached Ukiah this week that the forest fires raging in Anderson valley and along the Navarro river remain unchecked. On the R. C. Burger, Fred Hibberd and Bolon Hiatt ranches at Yorkville the fire has burned over hundreds of acres and men are fighting it day and night. On account of the menace to their property Mr. Burger and Mr. Hibberd have asked to be released from grand jury duty this week according to Judge H. L. Preston.

Along the Navarro river the slaughter to the giant redwoods is pitiful. Huge trees are crashing to the ground by the hundreds and the heat and smoke are almost unendurable for the fire fighters, every available man in that country being called upon to give aid. It is estimated that thousands of acres of timber land have been burned over in the past weeks and no relief is looked for until the rainy season begins.

PETITION FILED

Through J. C. Hurley Charlotte Vie Brown has filed a petition for letters in the estate of Mrs. Affenia Brown, deceased. The estate consists of a house and lot in Ukiah valued at $2500 and cash in bank to the amount of $17,500.

Mr. and Mrs. R. M. Smith and Mr. and Mrs. Jack Wilkes of San Francisco will visit at the R. C. Amstein and J. R. Jameson homes for the next few days. The party are former neighbors of the Jameson family whom they have not met for 14 years.

WHY TELEPHONE OPERATOR REPEATS NUMBER ASKED FOR

After you remove the telephone receiver from the hook and ask Central for a number, you will notice that she repeats the number in a questioning voice.

Her repetition of the number in such a tone calls for an acknowledgment from you that she has correctly heard the number.

It is to avoid the possibility of calling the wrong number that Central repeats the number given to her as she hears it.

The subscriber is expected to confirm the operator when she repeats the number, if she has the correct number. If not, the caller is expected to repeat the number desired. In this way the perecentage of wrong number calls will be reduced to a minimum.

So when Central correctly repeats the number you ask for, just say "yes" or "please," or make some similar acknowledgment of its correctness. By adherence to this rule the service will be made surer and swifter.

COURT DENIES APPLICATION FOR NON-SUIT

The long drawn out case of the Standard Livestock Co. versus the Bank of California was continued in the Superior Court here yesterday morning following a few days respite. An unusual precedent in the case was the retention of the jury in Ukiah over the week-end with pay. Thursday the two day's argument of the attorneys of the Bank of California for a non-suit was denied by Judge Rolfe L. Thompson of Santa Rosa, sitting for Judge H. L. Preston.

Know How Much You Save by Painting Now to Save Repairs

COMPARE the prices of lumber and paint. They will show you how expensive it is to let buildings rot for lack of the protection of paint.

Hundreds of thousands of dollars worth of valuable buildings are wasting today at a rapid rate, because they have not been painted when they needed it. Paint now. Save repairs.

The utmost economy in painting results from the use of a high quality product at the time it is needed. The best paint spreads easily — it saves labor cost. It covers a larger area per gallon than "cheap" paint.

But most important, the best paint serves five or more years longer than "cheap" paint.

It's economy, then, to paint when your property needs it—without delay—and to use the best paint.

The best paints are scientific in formula and preparation. We've made them for 73 years — to meet the weather conditions in the West.

PEAR INDUSTRY PROVEN IN ROUND VALLEY

Covelo, Sept. 19—The first Bartlett pears ever shipped to Eastern markets from Round valley left the orchard of Frank Spurlock during the past two weeks. The fruit from this orchard, which is the largest in the valley, was handled by the Stewart Fruit Company.

This large crop and the net returns have livened the interest of landowners of this section in the pear industry. This industry was forseen by a few who were confident of this being an ideal pear section.

The owners of the smaller orchards shipped their fruit to Ukiah canneries. The quality of pears from this section equal the quality of Lake county pears.

Now that the industry has been proven, several of the ranchers are contemplating setting out young pear orchards next spring.

WILL ORGANIZE BAND

A greatly needed Junior band organization is being undertaken in Ukiah by Mrs. Mabel Ames Smith, as manager and organizer and Harry Carr, director. The band members will be confined to children of elementary school age and rehearsals will be held weekly in the firemen's gymnasium in North School street. The organization is not complete as yet but it is estimated by Mrs. Smith that the band will start off with 20 members. A number of second-hand instruments have been secured and sent to San Francisco for overhauling after which they will be as good as new. Mrs. Smith, who is meeting this cost herself, states the instruments may be purchased by the school children at cost if it is so desired. No date has been set for the opening rehearsal but it will be soon after school starts. This will fill an essential civic need of Ukiah and it is to be hoped the parents will back the manager and director in their work.

Mrs. J. R. Mathews and Miss Virginia Mathews returned last week from a few day's stay at Orr's Hot Springs.

Uncle John's Poem ~

WORLD'S OLDEST HORSE

THE ordinary span of horse life is twenty years, but there is a horse in Catawissa, Pa., the property of the Rev. Dr. Uriah Myers, which is fifty-one years old and rated the oldest horse in the world. As a matter of fact, there is no record of any other horse having lived anywhere near as long as this. A short time ago it looked as if the horse, named Clover, might have to be killed, because his owner could not afford to keep him. But the story of his extreme age and admirable character having gone abroad, gifts of money and offers of maintenance came from many sources, so that now Clover will be retired from active service on a pension. Moreover, an eminent veterinarian even promises Clover many more years in which to enjoy his good fortune and his fame.

When Clover was a young horse, he was famed as a racer in Kentucky, and has a record of having trotted a mile in 2:22, and paced a mile in 2:17, many years ago, of course. His owner believes he could do fifteen miles a day at the present time without any physical strain. He comes of Hambletonian stock, his head, particularly, resembling that of Rysdyk's Hambletonian. At fifteen years of age he came into the possession of Dr. Myers, and for thirty-five years loyally served his ministerial master.

Clover has a certain sporting look even yet. He stands a bit shaggy and crocky today, for his half-century legs that carried him a mile in the blue grass country when Jay Eye See wasn't even foaled, never were mates. Oddly enough, Clover isn't lame, because the hoof of the shorter leg is longer and equalizes its length to that of the longer foreleg. He stands sixteen hands and weighs about 1,200 pounds, and his condition shows the excellent care his master has given him. His ration, twice daily, consists of one scoop of bran, one of middlings, and two of a mixture of oats, clover, and molasses, topped off with three ears of corn. It takes him a long time to eat this, as he masticates slowly.

According to the veterinarian who examined Clover recently, the horse is sound in wind, and has wonderfully clean legs, and there is a luster to his coat that is remarkable in an animal so old. His only blemish is a cataract on the right eye, but this is not necessarily traceable to old age. It is hard to tell the exact age of a horse by his teeth after his fifteenth year. However, the contour of the mouth changes with age. In a young horse the teeth meet at an obtuse angle, but as the animal grows older the angle becomes more and more acute. Judging by this, Clover has the oldest mouth that veterinarians have ever seen. His incisors are as long as a man's forefinger and straight in the jawbone. The most surprising thing is that the teeth are in as good condition as those of a ten-year-old horse. His molars are perfect and in this fact undoubtedly lies the secret of his health. The horse is remarkably spry and playful and astonishes one, who knows his age, with the quickness of his movements. He lies down and gets up with ease, a sign that he is still many years from his end. One of the first symptoms of marked old age in a horse is the difficulty of lying down and getting up again.

MAN'S BEST FRIEND

THE editor of The Republican Press is old-fashioned in that he resents the increase of automobiles, but his seeming old fogginess is not due to the fact he is opposed to progress, but rather because he is a lover of the dog and would like to see every boy, like in the days of old, possess a dog. This cannot be done because it is extremely difficult to raise a dog nowadays for automobiles run down and kill thousands of dogs annually and people are beginning to give up the idea of trying to raise a dog. One of the reasons the writer is fond of dogs arises from personal knowledge of a number of instances along the line of this little poem:

FORGIVENESS
Suggested by an actual instance
LOUELLA C. POOLE

It was decreed that he should die—
The poor old house dog, true and kind—
For he'd "outlived his usefulness,"
And seemed fast-growing deaf and blind.
The waters of the lake were deep;
To drown, an easy way to die;
The cruel weights would hold him down,
And hush his last reproachful cry.
Out stole the boat; dusk's gathering gloom
Would hide from mortal eye the sin—
For such it was! A false move and
The man himself plunged headlong in!
No swimmer he, and vain his cries
In that lone spot, with none to save.
Quick from the boat the old dog leaped,
And snatched him from a watery grave!
How nobler far the faithful dog—
All love, forgiveness, loyalty—
Than he who called himself a man,
And would such friend's destroyer be!

TONSILS

Most every disease that begins to show, by the howl of pain or the tale of woe—be it nutmeg liver, or pesthouse itch, or weepin janders—I don't keer which,—We can rugulate 'em, beyound a doubt, by simply clippin' the tonsile out!

You mebby have heard of Melindy Crane, who was borned with softenin' of her brain. . . . . So, when she developed the craze fer verse, we jedged a relapse would fetch the hearse. . . . but she whooped with joy, and' hollered fer kraut—the minnit they jerked her tonsils out!

And of course—you knowed old Sandy Beggs, which had the paralysis in his legs,—an' when the old feller commenced to bloat, we seen right off, it was all in his th'oat! And, jest afore she ran into gout, they cured him, by whackin' his tonsils out!

The feller that's skeered of a dearth of days, can dodge it—by joinin' the tonsil craze. . . . . He can set down, an' let 'em rim out his neck,—an' get up again—like new, by hck!

From Uncle John.

LADY TROUBLED BY INSOMNIA

Let the waves of slumber billow
Gently, softly o'er thy pillow;
Let the darkness wrap thee round
Till in slumber thou art drowned;
Let my tenderest lullabies
Guard the closing of thine eyes;
If these fail to make thee weary,
Then I cannot help thee, dearie.
—Franklin F. Adams in the Bookman.

BIG POWER on the HILLS/

Make a fresh start—get a clean tankful of "Red Crown"—and then watch how your engine performs.

Watch it on the hills. Every drop of "Red Crown" vaporizes rapidly and uniformly in the carburetor and is consumed completely in the cylinders. You get a continuous stream of power—more mileage at lower cost.

"Red Crown" is uniform in quality—you won't need to bother with carburetor adjustments if you fill your tank with "Red Crown" and nothing else.

Fill at the Red Crown sign—at Service Stations, garages and other dealers.

Making 20 Years of Racing Serve Car Owners Today

IN the early days of automobile contests, Barney Oldfield—out to win every race—studied tires. His consistent success led other drivers to ask for tires constructed to his specifications.

Twenty years of road and track victories—with a steady and increasing demand for tires as he built them—convinced Barney Oldfield that these speed tests pointed the way to a better tire for everyday use.

The enthusiastic reception of Oldfield Cords by the public proved he was right. Scores of the most prominent dealers in the country—and many thousands of car owners, experienced in the use of tires—bear witness by their decided preference that Oldfield is doing a bigger and better job of tire making.

This volume, handled in an effective way in every phase of manufacture and distribution, has resulted in price quotations far below what you'd expect on tires known to be better built and more enduring.

Practically every important race event for three years has been won on Oldfields. The Wichita Test Run in which an entire set of Oldfield Cords covered 34,525 miles on rough roads proves the mettle of the Most Trustworthy Tires Built in everyday driving.

The Master Driver and Tire Builder has given the public a new standard of tire wear and tire cost—a true economy that every car owner should know about.

Your Oldfield dealer has these facts—talk to him.

Floats Of Ukiah Women Win Many Prizes

Ukiah women, good Mendocinoites that they are, caught the spirit of the Pow-Wow and did their share in putting over the big success of Monday's pageant. First came Miss Esther Redwine with her prize winning car in green and gold, glittering like a beautiful picture out of fairyland. With Miss Redwine rode three fairy-like figures, the tiny Misses Bettie Brazier, Valberta Eversole and Margery Smith. Miss Redwine was awarded first prize.

The Kosmos Club of Ukiah with their butterfly float came in for second prize honors in the float entries with the Cornelia Rebekah lodge float first prize winners. Both floats were exquisite in design and coloring and striking in their arrangement. Of course there was the accompaniment of pretty girls and flowers—the two are synonymous—and the enthusiasm along the line of march was contagious, the spectators falling under the spell of beauty and opalescence of the pastel colorings to a marked degree. It is doubtful if ever Ukiah witnessed a more brilliant pageant than that of Monday morning and with Californians pageants are traditional—a vital part of the spirt of any celebration depicting our early history and forbears—the spirit of our Spanish ancestors of the West.

LITTLE LAD'S BIRTHDAY

A delightful children's party was given Wednesday afternoon by Mrs. Jocie Williams in honor of the eighth birthday of her little son, Jamie. It was a garden party with the whole outdoors as a setting and the children romped and played games to their heart's content after which there was a dainty service of ices and cakes supplemented by a huge, lighted birthday cake. Mrs. Williams and Jamie were assisted in receiving the guests by Mrs. Mabel Ames Smith. Those to whom the hospitality of the afternoon was extended were John and Mary White, Billie and Jimmie Davis, Margaret, Carol and Constance Grothe, Virginia Mathews, Donald York, Marie and Paul Harsen, Floyd and Orletta Hawn, Frances McCowen, Hale McCowen, Ill, Lucile and Martha Hansen, Reed Berlin, LaBelle Scott, Chaplin and Jamie Williams.

RETURNS HOME

After a visit of eleven weeks in southern California Miss Blanche Lowe is at home again. She was accompanied here by Mr. and Mrs. Charles Stark, nee Bessie Lowe, of Long Beach who will visit at the Lowe home.

RETURN HOME

Mrs. Ted Young and two daughters, Margery and Alice Ruth, of Dunsmuir returned to their home last week after a few days' visit with Ukiah friends. The Youngs formerly lived here where numerous friends are always glad to see them.

LET US NOT FORGET TO BE KIND

By MARIE HINTON REA

This is hospitality week in Ukiah—a week in which our hearts are rightly tuned by music and laughter and light to vibrate in harmony with our friends and neighbors and so lend new flavor to the fruitful year whose bountiful harvest is all about us—a week in which those who have roamed far off come home to learn the worth of friendship — a week in which the piled abundance of the harvest is proof of nature's goodness. There is no one thing which contributes more to the sum total of human happiness than hospitality. Let us remember our force of individual responsibility this week as hosts. Let the laws of kindness and hospitality reign.

BERKELEY VISITORS

Mr. and Mrs. R. H. Douglas and two daughters of Berkeley are loyal former residents who came up from the bay this week to help "the old home town" celebrate. They are guests in the B. H. Miller home in West Standley street. Miss Bernice Douglas will remain in Ukiah to teach the newly established kindergarten department of the Ukiah elementary school.

COLLEGE STUDENTS HERE

A number of the students of the University of California will come home for the Yo-Kaya Pow-Wow this week-end. Among those who will arrive Friday evening will be Lurline Jamison, Margaret and Geraldine Cunningham and Newell Rea. They will return to college Sunday afternoon.

FROM LOS ANGELES

Mr. and Mrs. H. M. Schroeter of Los Angeles and Mr. W. H. Bonnell of the same city were in Ukiah last week as guests of Mr. and Mrs. H. E. Bonnell. Mrs. Schroeter is a sister of Mr. Bonnell and the party were homeward bound after an Alaskan visit of six weeks.

Mrs. P. J. Dowling returned to Ukiah recently in response to a message conveying the news of the illness of her mother, Mrs. C. A. Aldrich. Mrs. Dowling has intended returning to the army post in Texas where Captain Dowling is in command but the journey has been made hazardous by the railroad strike which is more serious in that part of the country than on the western coast. Mrs. Aldrich is better at the present writing.

Dinner Party Features Anniversary

To commemorate the anniversary of her first year of business in Ukiah Mrs. Margueritta Gould was hostess to a group of friends at a charmingly appointed dinner party in Ukiah Tuesday evening. Mrs. Rhea Davis shared the honors of hostess with Mrs. Gould, the two ladies receiving their guests on the veranda of the home of Mrs. Davis at eight o'clock. The spacious porch was enclosed for the occasion in brilliant-hued bunting and hung with Chinese lanterns and French and American flags. In the dining room, elaborately adorned with baskets of vari-hued autumn flowers, a dinner of many courses, prepared by a French chef, was served. The table decorations were of deicate-hued asters and five finger ferns arranged in crystal bowls. Following the dinner dancing and bridge games were enjoyed on the veranda. Those who shared in the pleasure of the delightful evening were Dr. and Mrs. S. L. Rea, Mr. and Mrs. G. C. Burke, Mr. and Mrs. A. Perilli-Minetti, Mr. and Mrs. M. H. Iversen, Mesdames Gould, Davis and Steckler and Messrs. R. R. Byrnes, Oscar Housen, J. J. Higgins, and E. Grant.

CLUB WOMEN TO ASSEMBLE

A call is being issued this week by the Mendocino County Federation of Women's Clubs for the second semi-annual convention. The call is being sent out by Mrs. M. V. Baker of Willits, president of the federation, for a one day convention on Saturday, October 14 at Mendocino City.

The federation is composed of clubs at Willits, Ukiah, Potter Valley, and Fort Bragg. Among the distinguished visitors who are expected to attend the convention will be Mrs. T. M. Tenney of Watsonville, president of the San Francisco District of the California Federation of Women's Clubs and other state officers. The Mendocino Study Club will be the hostess club. It is announced that delegates may come in on the night train Friday and return on the Saturday night train if it is so desired. The Kosmos Club and the Saturday Afternoon Club of Ukiah are planning on a full list of delegates.

FINE ANIMALS SHOWN

Miss Una Boyle of Leonard Lake and her thorough-bred animals attracted a great deal of attention from lovers of fine horses and dogs Monday during the parade. Miss Boyle drove her three coal-black horses attached to a handsomely decorated equipage. With her on the drivers seat were her thorough-bred brown water spaniels. Both dogs are clever performers of tricks and the bluest of blue blood flows in their veins. The trick donkey that attracted such attention by his performance of drinking out of a jug and his clever steps, is also the property of Miss Boyle who is spending the summer at the Boyle home at Leonard Lake.

ENJOYING POW-WOW

Mrs. Joe Hildreth and little daughter, Carol of San Francisco and Mrs. Pauline Baxter and little Miss Juliette Baxter of Oakland are guests of Mrs. Mary Ruddock this week. Mrs. Irene Bond of San Francisco is also a guest of her sister, Mrs. Ruddock. Friday the party will be joined by Dr. Baxter, Mr. Joe Hildreth and Mr. K. C. Partridge of San Francisco. Mr. Hildreth is a former Ukiah boy who is now a successful druggist of San Francisco. His little daughter, Carol, aged three years is one of the star dancers at the society circus of the Saturday Afternoon Club.

SAN FRANCISCO VISITOR

Dr. Susan Harris Hamilton of San Francisco, a former well known resident of Ukiah, is here this week to enjoy the Pow-Wow as a guest in the homes of her sisters, Mrs. G. W. Stout and Mrs. J. L. Brown, Dr. Hamilton is one of the live members of the Mendocino Club of San Francisco and never misses an opportunity to boost for Mendocino county and her former home town.

WILL TOUR SOUTH

Judge and Mrs. J. C. Hurley, Mrs. May Alexander and Mrs. E. J. Alexander, Jr., left Ukiah recently for a tour of southern California. The party will return in time to enjoy the last days of the Yo-Kaya Pow-Wow.

BIRTH ANNOUNCEMENT

Mr. and Mrs. C. D. Tribuno are receiving the congratulations of their friends over the birth of a daughter Saturday, September 16. The little girl, who is the first child in the family has been christened Louise Josephine.

Mrs. M. A. Bloyd and her granddaughter, Miss Vivian Crocker of Navarro, were in Ukiah yesterday to visit the Pow-Wow.

Freak Recovery Of Lost Wrist Watch

Mr. and Mrs. A. R. O'Brien are home after an automobile trip of 2500 miles, during which time they visited The American Ranch, one of the largest stock ranches in Oregon and owned by Mrs. O'Brien's parents. A freak happening marked the trip. Beyond Fossil Mrs. O'Brien missed her wrist watch and, after a search of the car was made, gave it up as lost. Arriving at Sutherlin, a point about 400 miles distant from where the watch had been missed, the battery was tested and the trip continued after the battery man had advised that the battery be again tested at Ashland, a distance of probably 250 miles from Sutherlin. While the Ashland battery man was testing the battery, Mrs. O'Brien happened to look down and there suspended from a part of the floor of the car was her watch. The watch was recovered only after the chain had been cut in two and it was then found to be running. The fact the watch had not fallen off the car was remarkable because such rough roads were gone over the tire holder at the rear of the car—a strong steel arrangement—had snapped apart soon after Fossil was left.

BUT HOW ABOUT YOUR NEIGHBOR, WHOSE LIFE MAY HAVE BEEN SAVED THROUGH CHIROPRACTIC? HOW ABOUT YOUR NEIGHBOR'S CHILD, SAVED PERHAPS FROM YEARS OF AGONY AND SUFFERING? HOW ABOUT YOUR NEIGHBOR'S WIFE, WHO WAS RELIEVED OF A CHRONIC AILMENT AFTER TRYING EVERYTHING UNDER THE SUN?

IF THEY HAVE BEEN RESTORED TO A LIFE OF USEFULNESS, HAPPINESS AND HEALTH, YOU WANT THEM TO CONTINUE TO ENJOY THE BENEFITS OF CHIROPRACTIC, AND BE ABLE TO DO SO LEGALLY, DON'T YOU?

ALL RIGHT! THEN VOTE FOR NO. 16 ON THE BALLOT IN NOVEMBER!

The most HATED MAN in the World
WHAT is he thinking now?

In the little town of Amerongen in Holland the villagers see at rare intervals an old man with a withered arm and a grizzled beard. It is the ex-Kaiser, the dethroned German War Lord, ending his days in exile.

What is he thinking, that old man? What passions of broken pride and remorse are tearing at him? What tales could he tell of court intrigue and diplomatic chicanery during the days when Germany dreamed of world conquest?

The world has long wanted to know these things. And now the ex-Kaiser has broken silence.

The People of the State of California do enact as follows:

SECTION 1. For the prpose of creating a fund to carry out the provisions of the land settlement act, approved June 1, 1917, and of any and all acts amendatory thereof or supplemental thereto, the object of which acts is to provide employment and rural homes for soldiers, sailors, marines and others who have served with the armed forces of the United States in the European war or other wars of the United States, including former American citizens who served in allied armies against the central powers and have been repatriated, and who have been honorably discharged, to promote closer agricultural settlement, to assist deserving and qualified persons to acquire small improved farms, to demonstrate the value of adequate capital and organized direction in subdividing and preparing agricultural land for settlement, and to provide homes for farm laborers, the state land settlement finance committee created by this act, to wit, in section ten hereof, shall be and it hereby is authorized and empowered to create a debt or debts, liability or liabilities, of the State of California, in the manner and to the extent hereinafter provided, but not otherwise, nor in excess thereof.

SEC. 2. After the issuance of the proclamation of the governor provided for in section sixteen of this act, and immediately after adoption of any resolution by the state land settlement finance committee hereby created, provided for in section eleven of this act, the state treasurer shall prepare the requisite number of suitable bonds of the denomination of one thousand dollars in accordance with the specifications contained in such resolution. The aggregate par value of all bonds issued under this act shall not exceed the sum of three million dollars, and the bonds issued under any such resolution shall bear interest from the date of issuance of said bonds to the date of maturity thereof, at a rate to be determined by the said state land settlement finance committee and specified in such resolution, but in no case exceeding six per cent per annum. Both principal and interest shall be payable in gold coin of the United States, of the present standard of value, at the office of the state treasurer, or at the office of any duly authorized agent of the state treasurer, and shall be so payable at the times specified in said resolution or resolutions.

All bonds issued under this act shall bear the signature of the governor and the facsimile countersignature of the controller and shall be endorsed by the state treasurer either by original signature or by signature stamp adopted for each particular bond issue under this act, and the said bonds shall be signed, countersigned and endorsed by the officers who shall be in office on the date of issuance thereof, and each of said bonds shall bear an impress of the great seal of the State of California. The said bonds so signed, countersigned, endorsed and sealed, when sold, shall be and constitute a valid and binding obligation upon the State of California, although the sale thereof be made at a date or dates upon which the officers having signed, countersigned and endorsed said bonds, or any or either of said officers, shall have ceased to be the incumbents of the offices held by them at the time of signing, countersigning, or endorsing said bonds. Each bond issued under this act shall contain a clause or clauses stating that interest shall cease to accrue thereon from and after the date of maturity thereof, and referring to this act and to the resolution of the state land settlement finance board hereunder by virtue of which said bond is issued.

Said interest coupons shall bear the facsimile signature of the state treasurer who shall be in office on the date of issuance of the bond to which said coupons pertain.

SEC. 4. All bonds issued under this act and sold shall be deemed to have been called in at their respective dates of maturity and the state treasurer shall, on the respective dates of maturity of said bonds, or as soon thereafter as said matured bonds are surrendered to him, pay the same out of the proceeds of the controller's warrants, drawn in his favor as provided in section five hereof and perforate the bonds so paid with a suitable devise in a manner to indicate such payment and the date thereof. He shall also, on the said respective dates of maturity, cancel all bonds bearing said dates of maturity and remaining unsold, by perforation with a suitable device in a manner to indicate such cancellation and the date thereof. The provisions of this section shall be applicable also to the interest coupons pertaining to the bonds authorized by this act to be issued, and shall be applicable, as far as practicable, to any duly authorized agent of the state treasurer.

SEC. 5. There is hereby appropriated from the general fund in the state treasury such sum annually as will be necessary to pay the principal of and the interest on the bonds issued and sold pursuant to the provisions of this act, as said principal and interest becomes due and payable.

There shall be collected annually in the same manner and at the same time as other state revenue is collected such a sum, in addition to the ordinary revenues of the state, as shall be required to pay the principal and interest on said bonds as herein provided, and it is hereby made the duty of all officers charged by law with any duty in regard to the collection of said revenue, to do and perform each and every act which shall be necessary to collect such additional sum.

On the several dates of maturity of said principal and interest in each fiscal year, there shall be returned into the general fund in the state treasury, all of the moneys subject to and available for the use of the state land settlement board not in excess of the principal of and interest on the bonds, then due and payable and, in the event of such moneys so returned on said dates of maturity being less than the said principal and interest then due and payable, then the balance remaining unpaid shall be returned into the general fund in the state treasury as soon theerafter as it shall become available, together with interest thereon, from such dates of maturity until so returned, at the rate of five per cent per annum, compounded semi-annually.

Both principal and interest of said bonds shall be paid when due upon warrants duly drawn by the controller of the state in favor of the state treasurer or in favor of any duly authorized agent of the state treasurer, upon demands audited by the state board of control, and the moneys to be returned into the general fund in the state treasury pursuant to the provisions of this section shall likewise be paid as herein provided upon warrants duly drawn by the controller of the state upon demands duly audited by the state board of control.

Said amount shall be refunded to the general fund of the state treasury out of the land settlement fund in accordance with the provisions of this act on controller's warrant duly drawn for that purpose.

SEC. 7. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as the said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the state land settlement board and approved by the governor of the state; but said treasurer must reject any and all bids for said bonds or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and with the approval of the governor, he may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the day fixed for such sale.

SEC. 8. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in one newspaper published in the city and county of San Francisco and also by publication in one newspaper published in the city of Oakland and by publication in one newspaper published in the city of Los Angeles and by publication in one newspaper published in the city of Sacramento once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the land settlement fund in the state treasury and must be used exclusively to provide employment and rural homes for soldiers, sailors, marines and others who have served with the armed forces of the United States in the European war or other wars of the United States, including former American citizens who served in allied armies against the central powers and have been repatriated, and who have been honorably discharged, to promote closer agricultural settlement, to assist deserving and qualified persons to acquire small improved farms, to demonstrate the value of adequate capital and organized direction in subdividing and preparing agricultural land for settlement, and to provide homes for farm laborers, in accordance with the provisions of the land settlement act, approved June 1, 1917, and of any and all acts amendatory thereof or supplemental thereto; **provided**, that the said land settlement board must pay over to the general fund of the state from the proceeds of the sale of bonds all money which has been heretofore or may be hereafter appropriated and advanced out of the general fund of the state treasury for the use of the state land settlement board on condition that it shall be so paid over; **provided, further**, that the said state land settlement board may, out of the proceeds from the sale of said bonds, pay all or any part of any indebtedness heretofore by it incurred in accordance with law and remaining unpaid, including the interest accrued thereon, unless the rate of interest applying to such indebtedness is less than the rate of interest applying to the said bonds; **and provided, further**, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

SEC. 9. The state land settlement board shall be and hereby is authorized, with the approval of the state board of control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or any of them, at the governing market rates, upon approval of the state board of control.

SEC. 10. There is hereby created a state land settlement finance committee composed of the governor, state controller, state treasurer, chairman of the state board of control, and chairman of the state land settlement board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act for said committee. The attorney-general of the state shall be the legal advisor of the state land settlement finance committee.

Upon request of the state land settlement board supported by a statement of the plans and projects of the state land settlement board with respect thereto, the state land settlement finance committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

SEC. 11. Whenever the said state land settlement finance committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the state treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value, and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

3. The annual rate of interest which the bonds to be issued shall bear.

4. The number, numerical sequence, amount or amounts, and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the state land settlement finance committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the state land settlement board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, and be commensurate, as nearly as practicable, with the dates and amounts of such estimated revenues; **provided**, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; **provided, further**, that specified numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; **and provided, further**, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the state land settlement finance committee according to the then prevailing market conditions, but shall in no case exceed six per cent per annum, and the determination of said committee as to the rate of interest shall be conclusive as to the then prevailing market conditions. The interest coupons to be attached to the said bonds shall be payable at semiannual intervals from the date of issuance of said bonds; **provided**, that the interest coupon first payable may, if the state land settlement finance committee shall so determine and specify, be payable one year after the date of issuance of said bonds.

SEC. 12. All actual and necessary expenses of the state land settlement finance committee and of the members thereof shall be paid out of the land settlement fund, upon approval of the state board of control and on controller's warrant duly drawn for that purpose, and shall constitute expenses of the state land settlement board.

SEC. 13. The state controller, the state treasurer, and the state land settlement finance committee shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney-general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 14. This act, if adopted by the people, shall take effect on the fifteenth day of November, 1922, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

Opposite the words "For the land settlement bond act of 1921" and "Against the land settlement bond act of 1921" there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the land settlement bond act of 1921" and those voting against the said act shall do so by placing a cross opposite the words "Against the land settlement bond act of 1921." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 16. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 6. The sum of fifteen thousand dollars is hereby appropriated out of any money in the state treasury not otherwise appropriated to pay the expenses that may be incurred by the state treasurer in having said bonds prepared and in advertising their sale. Said amount shall be refunded to the general fund in the state treasury out of the specific funds into which the proceeds from the sale of said bonds shall be respectively covered in accordance with the provisions of this act on controller's warrant duly drawn for that purpose.

SEC. 7. When the bonds authorized to be issued under this act shall be duly executed, they shall be by the state treasurer sold at public auction to the highest bidder for cash, in such parcels and numbers as the said treasurer shall be directed by the governor of the state, under seal thereof, after a resolution requesting such sale shall have been adopted by the veterans' welfare board and approved by the governor of the state; but said treasurer must reject any and all bids for said bonds, or for any of them, which shall be below the par value of said bonds so offered plus the interest which has accrued thereon between the date of sale and the last preceding interest maturity date; and with the approval of the governor, he may from time to time, by public announcement at the place and time fixed for the sale, continue such sale, as to the whole of the bonds offered, or any part thereof offered, to such time and place as he may select. Before offering any of said bonds for sale the said treasurer shall detach therefrom all coupons which have matured or will mature before the day fixed for such sale.

SEC. 8. Due notice of the time and place of sale of all bonds must be given by said treasurer by publication in one newspaper published in the city and county of San Francisco and also by publication in one newspaper published in the city of Oakland and by publication in one newspaper published in the city of Los Angeles and by publication in one newspaper published in the city of Sacramento once a week during four weeks prior to such sale. In addition to the notice last above provided for, the state treasurer may give such further notice as he may deem advisable, but the expense and cost of such additional notice shall not exceed the sum of five hundred dollars for each sale so advertised. The proceeds of the sale of such bonds and such amount as may have been paid as accrued interest thereon shall be forthwith paid over by said treasurer into the veterans' welfare fund for land settlement, or into the veterans' farm and home building fund, as the case may be, in accordance with the resolution of the veterans' welfare finance committee, provided for in section eleven of this act, by virtue of which resolution the said bonds shall have been issued, and must be used exclusively to provide useful employment and the opportunity to acquire farm homes with profitable livelihood on the land for veterans and to provide for cooperation of the state with the agencies of the United States engaged in work of similar character, and to furnish to veterans the opporunity to purchase farms, homes and home sites, in accordance with the provisions of the California veterans' welfare act and of the veterans' farm and home purchase act, or either of them, and of any and all acts amendatory or supplemental to said acts, or either of them; **provided**, that the said veterans' welfare board must pay over to the general fund of the state from the proceeds of the sale of the bonds all money which has been heretofore or may be hereafter appropriated and advanced out of the general fund in the state treasury for the use of the said veterans' welfare board on condition that it shall be so paid over; **provided, further**, that the said veterans' welfare board may, out of the proceeds from the sale of said bonds, pay all or any part of any indebtedness heretofore by it incurred in accordance with law and remaining unpaid, including the interest accrued thereon, unless the rate of interest applying to such indebtedness is less than the rate of interest applying to the said bonds; and **provided, further**, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

SEC. 9. The veterans' welfare board shall be and hereby is authorized, with the approval of the state board of control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or any of them, at the governing market rates, upon approval of the state board of control.

SEC. 10. There is hereby created a veterans' welfare finance committee composed of the governor, state controller, state treasurer, chairman of the state board of control, and chairman of the veterans' welfare board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act for said committee. The attorney general of the state shall be the legal advisor of the veterans' welfare finance committee.

Upon request of the veterans' welfare board, supported by a statement of the plans and projects of the veterans' welfare board with respect thereto, which statement shall designate the specific fund to which such plans and projects relate, the veterans' welfare finance committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

SEC. 11. Whenever the said veterans' welfare finance committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the state treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value, and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

3. The annual rate of interest which the bonds to be issued shall bear.

4. The number, numerical sequence, amount or amounts, and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The specific fund into which the proceeds from the sale of the bonds to be issued shall be placed and from which disbursements thereof shall be made in accordance with this act.

6. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the veterans' welfare finance committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the veterans' welfare board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, and be commensurate, as nearly as practicable, with the dates and amounts of such estimated revenues; **provided**, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; **provided, further**, that specified numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; **and provided, further**, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the veterans' welfare board in accordance with the provisions of the California veterans' welfare act and of the veterans' farm and home purchase act, or either of them, and of any and all acts amendatory or supplemental to said acts, or either of them; **provided**, that the said veterans' welfare board must pay over to the general fund of the state from the proceeds of the sale of the bonds all money which has been heretofore or may be hereafter appropriated and advanced out of the general fund in the state treasury for the use of the said veterans' welfare board on condition that it shall be so paid over; **provided, further**, that the said veterans' welfare board may, out of the proceeds from the sale of said bonds, pay all or any part of any indebtedness heretofore by it incurred in accordance with law and remaining unpaid, including the interest accrued thereon, unless the rate of interest applying to such indebtedness is less than the rate of interest applying to the said bonds; and **provided, further**, that the proceeds from the sale of said bonds may be used to pay the debt created by the issuance and sale thereof.

SEC. 9. The veterans' welfare board shall be and hereby is authorized, with the approval of the state board of control, to invest any surplus moneys in any of the funds subject to or appropriated for its use in bonds of the United States, or of the State of California, or of the several counties or municipalities or other political subdivisions of the State of California, and to sell such bonds, or any of them, at the governing market rates, upon approval of the state board of control.

SEC. 10. There is hereby created a veterans' welfare finance committee composed of the governor, state controller, state treasurer, chairman of the state board of control, and chairman of the veterans' welfare board, all of whom shall serve thereon without compensation and a majority of whom shall be empowered to act for said committee. The attorney general of the state shall be the legal advisor of the veterans' welfare finance committee.

Upon request of the veterans' welfare board, supported by a statement of the plans and projects of the veterans' welfare board with respect thereto, which statement shall designate the specific fund to which such plans and projects relate, the veterans' welfare finance committee shall determine whether or not a bond issue under this act is necessary or desirable to carry such plans and projects into execution.

SEC. 11. Whenever the said veterans' welfare finance committee shall have determined that a bond issue under this act is necessary or desirable to carry such plans and projects into execution, it shall adopt a resolution to this effect. The said resolution shall authorize and direct the state treasurer to prepare the requisite number of suitable bonds and shall specify:

1. The aggregate number, aggregate par value, and the date of issuance of the bonds to be issued.

2. The date or dates of maturity of the bonds to be issued and the number and numerical sequence of the bonds maturing at each date of maturity.

3. The annual rate of interest which the bonds to be issued shall bear.

4. The number, numerical sequence, amount or amounts, and the dates of maturity of the interest coupons to be attached to the said bonds.

5. The specific fund into which the proceeds from the sale of the bonds to be issued shall be placed and from which disbursements thereof shall be made in accordance with this act.

6. The technical form and language of the bonds to be issued and of the interest coupons to be attached thereto.

In determining the date or dates of maturity of the said bonds and the amount of bonds maturing at each date of maturity, the veterans' welfare finance committee shall be guided by the amounts and dates of maturity of the revenues estimated to accrue to the veterans' welfare board from the project or projects to be financed by each issue, and shall fix and determine said dates and amounts in such manner that, together with the dates and amounts of interest payments on the said bond issue, they shall coincide, as nearly as practicable, and be commensurate, as nearly as practicable, with the dates and amounts of such estimated revenues; **provided**, that the bonds first to mature in each issue, shall mature not later than five years from the date of issuance thereof; **provided, further**, that specified numbers of bonds of specified numerical sequence shall thereafter mature at annual intervals; **and provided, further**, that the bonds last to mature in each issue shall mature not later than forty-five years from the date of issuance thereof.

The rate of interest to be borne by the said bonds shall be uniform for all the bonds of the same issue and shall be determined and fixed by the veterans' welfare board with respect thereto, according to the then prevailing market conditions, but shall in no case exceed six per cent per annum, and the determination of said committee as to the rate of interest shall be conclusive as to the then prevailing market conditions. The interest coupons to be attached to the said bonds shall be payable at semiannual intervals from the date of issuance of said bonds; **provided**, that the interest coupon first payable may, if the veterans' welfare finance committee shall so determine and specify, be payable one year after the date of issuance of said bonds.

SEC. 12. All actual and necessary expenses of the veterans' welfare finance committee and of the members thereof shall be paid out of the fund into which the proceeds from the sale of said bonds shall be covered, upon approval of the state board of control and on controller's warrant duly drawn for that purpose, and shall constitute expenses of the veterans' welfare board.

SEC. 13. The state controller, the state treasurer, and the veterans' welfare finance committee shall keep full and particular account and record of all their proceedings under this act, and they shall transmit to the governor an abstract of all such proceedings thereunder, with an annual report, to be by the governor laid before the legislature biennially; and all books and papers pertaining to the matter provided for in this act shall at all times be open to the inspection of any party interested, or the governor, or the attorney general, or a committee of either branch of the legislature, or a joint committee of both, or any citizen of the state.

SEC. 14. This act, if adopted by the people, shall take effect on the fifteenth day of November, 1922, as to all its provisions except those relating to and necessary for its submission to the people, and for returning, canvassing, and proclaiming the votes, and as to said excepted provisions this act shall take effect immediately.

SEC. 15. This act shall be submitted to the people of the State of California for their ratification at the next general election, to be held in the month of November, 1922, and all ballots at said election shall have printed thereon and in a square thereof, the words: "For the veterans' welfare bond act of 1921," and in the same square under said words the following in brevier type: "This act provides for a bond issue of ten million dollars to be used by the veterans' welfare board in assisting California war veterans to acquire farms or homes." In the square immediately below the square containing such words, there shall be printed on said ballot the words: "Against the veterans' welfare bond act of 1921," and in the same square immediately below said words "Against the veterans' welfare bond act of 1921" in brevier type shall be printed "This act provides for a bond issue of ten million dollars to be used by the veterans' welfare board in assisting California war veterans to acquire farms or homes." Opposite the words "For the veterans' welfare bond act of 1921" and "Against the veterans' welfare bond act of 1921," there shall be left spaces in which the voters may place a cross in the manner required by law to indicate whether they vote for or against said act, and those voting for said act shall do so by placing a cross opposite the words "For the veterans' welfare bond act of 1921" and those voting against the said act shall do so by placing a cross opposite the words "Against the veterans' welfare bond act of 1921." The governor of this state shall include the submission of this act to the people, as aforesaid, in his proclamation calling for said general election.

SEC. 16. The votes cast for or against this act shall be counted, returned and canvassed and declared in the same manner and subject to the same rules as votes cast for state officers; and if it appear that said act shall have received a majority of all the votes cast for and against it at said election as aforesaid, then the same shall have effect as hereinbefore provided, and shall be irrepealable until the principal and interest of the liabilities herein created shall be paid and discharged, and the governor shall make proclamation thereof; but if a majority of the votes cast as aforesaid are against this act then the same shall be and become void.

SEC. 17. It shall be the duty of the secretary of state in accordance with law to have this act published in at least one newspaper in each county, or city and county, if one be published therein, throughout this state, for three months next preceding the general election to be holden in the month of November, 1922; the costs of publication shall be paid out of the general fund, on controller's warrants duly drawn for that purpose and shall be refunded to the general fund out of the veterans' welfare fund for land settlement and the veterans' farm and home building fund jointly, each of said funds sharing one-half of said costs. Said refund shall be made upon controller's warrants duly drawn against said funds for said purpose upon demands audited by the state board of control.

SEC. 18. This act may be known and cited as the "veterans' welfare bond act of 1921."

DAMP, CHANGING WEATHER

Brings Its Toll of Sickness to Ukiah People.

Chilly, damp, changing weather is hard on the kidneys.

Even more irritating are colds, grip and pneumonia;

They congest the kidneys;

They bring backache and disordered kidney action.

For weak kidneys use a tested remedy.

Ukiah people recommend Doan's Kidney Pills. Ask your neighbor?

Mrs. R. T. Sullivan, 210 Clara Ave., Ukiah, says: "I consider Doan's Kidney Pills a splendid remedy as I have used them on different occasions when my kidneys have been disordered caused by colds settling on them. I felt dull and had no energy and my back was weak and ached so, I could scarcely do my work. Doan's Kidney Pills always relieved these attacks, strengthening my back and kidneys."

Other entries deserving of special mention included the float of Anderson valley driven by Frank B. Cook. It was a pyramid of apples of remarkable color and size supplemented by bunting and greenery in harmonizing tones and it attracted great interest all along the route. Calpella and Redwood valley each came to the front with floats of agricultural features affording everyone an opportunity to see the great development of the wide-awake communities to the north.

Round valley assembled an exhibit of grapes and fruits which afforded the public an opportunity to see the marked progress of that important center. Among the lodges whose public spirit and enterprise prompted them to enter the parade were the Knights of Pythias and the Fraternal Order of Eagles, each with an attractively and uniquely arranged decoration.

They Were Eenjoyed

Among the advertising features introduced in the commercial section unit of the parade was the float of the Saving Bank of Mendocino county and the society circus float of the Saturday Afternoon Club depicting the side show stunts including the wild man of Borneo, impersonated by Lawrence Downing, the gypsy fortune teller in the person of Mrs. H. L. Preston, chorus girls in tarlatan and spangles and Miss Margaret Davis, perched on a huge horse in the center of the float as a cirous rider. The Ukiah Milling Co. made a creditable showing also with a float and a walking feature and H. L. Kohn introduced a novel walking stunt also. The Talmage Oakey Talmage and Maple dolls rode in state on a prettily fashioned float and many other novel arrangements added zest to the advertising section.

At one o'clock the big throng assembled in the tent listened to Governor William D. Stephens in a ten minute address. Always genial and kindly Governor Stephens aroused the interest of the crowd with his first remarks. The September sun was on duty and the hot rays reflected on the tent made the atmosphere decidedly uncomfortable but the crowd was good natured and so was the Governor. He paid a tribute to Mendocino county in his opening remarks and assured everybody within hearing that he always got in a good word for Mendocino county wherever the opportunity afforded. He urged everybody to sing the praises of the California state highways which he pronounced second to none in the United States. He also urged the public to get behind the soldiers bonus one hundred per cent.

At one thirty o'clock the coronation ceremonies took place. The queen, attended by her court entered to the crashing of band music and the huge crowd pressed nearer to see the crown placed on the royal head of one of Ukiah's charming daughters. Born and reared in Ukiah, a descendent of one of Mendocino county's most highly respected pioneer families the people's choice for queen Mrs. Hazel Waldteufel was a credit and an acquisition to the occasion.

After the ceremonies incident to the coronation the crowd scattered to get their firstv iew of the big pageant within the huge tent. To the right as one enters are the commercial features including the displays of local merchants and automobile agencies and the concessions of the American Legion and in the center is the huge platform where vaudeville numbers and dancing will take place. At the extreme left of the tent is the agricultural exhibits and beyond that the livestock exhibits. Scattered through each section are the booths of our neighbors including Cloverdale, Lake county, Willits and other cities, each unique and full of interest. Vaudeville features are put on daily at 3:00 p. m. and 8:00 p. m. while Indian dances, games and pastimes are held in the Indian village at 4:30 p. m. Monday evening the crowds taxed the huge tent to capacity while cars were parked for a mile up and down South State street. Never in the history of Ukiah has such a gay scene presented itself as on Monday evening when the band concert opened the wonders of the big brillinatly illuminated tent to thousands who thronged through the gates. The entertainment offered, the introduction to the queen, the vaudeville stunts and the dancing, all found an appeal hard to resist and good nature and a carnival spirit prevaded the tent.

Events of Week

Yesterday was Lake county day and Miss Marian Youngreen was crowned queen of the ceremonies. She was introduced at one-thirty p. m. after which the band program, free vaudeville numbers and the Indian village attractions filled the afternoon hours. In the evening the fun lasted until midnight.

The program for the next two days, as issued by the Ukiah Chamber of Commerce is as follows:
